

WHO WE ARE

Blue Sky is a nonprofit exhibition center with a 30+ year tradition of exhibiting some of the best contemporary photography on the planet. Our mission is to educate the public about photography and support the careers of photographic artists. We do that by creating conversations between photographers and the world, presenting and documenting their work for international audiences and future generations through exhibitions, lectures, and print and digital publications.

WHERE WE'VE BEEN

Since 1975, we've produced 618 solo shows by over 500 artists, 46 group shows, 142 photo posters, hundreds of books, exhibition catalogues, postcards and photo cds, and more genuine plastic *Blue Sky* membership objects than you can shake a stick at.

WHERE WE'RE GOING

Now that we have a space that's as terrific as the photographs we show, as big as our international reputation, and as warm and wonderful as the folks who make up Portland's photography community, we only need one thing: YOU. Welcome home to the new *Blue Sky*.

JOIN BLUE SKY TODAY — so we can share our exhibitions, books, events and more with you!

First Name: _____ Last Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ E-mail: _____
